

## Transcript – DE Turf

**0:00 Chris Giacomucci, DE Turf:** M&T Bank allowed us to even be able to have this complex. M&T Bank saw the vision that is DE Turf.

**0:17 Chris Giacomucci, DE Turf:** They believed in this opportunity to build a multi-purpose sports complex.

**0:20 Bill Strickland, DE Turf:** It's an important economic catalyst for the area, for the local business community and secondly it gives a world class venue for our youth and our community to come here and participate and fine-tune their sports craft.

**0:33 Nick Lambrow, M&T Bank:** Well it's a great day. It's a great day for Kent County. It's a great day for the state. It's a great day for the entire region.

**0:39 Kortney Rhoades, Delaware State University:** To have the opportunity to have a complex like this and a field like this that we can come down and play on is just incredible.

**0:45 Nick Lambrow, M&T Bank:** The Delaware Turf is just a great asset for this area. It's going to be a significant economic impact, but more importantly, what it's going to do for the local area and for the athletes and all the teams that come visit. It's a great asset that can be utilized by so many people.
