

Updating Your Financial Institution List for QuickBooks® Windows

Please review these instructions and complete all tasks to update your Financial Institution List with **M&T Bank Direct Connect** for **QuickBooks Windows**.

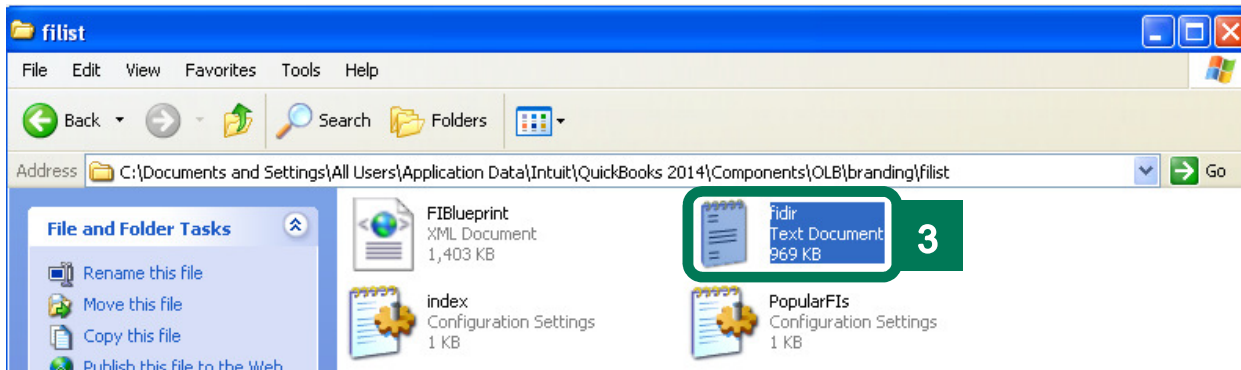

1. Close QuickBooks Windows.
2. Follow the folder path from the list below. To begin, open **My Computer** or **Computer** on your Desktop.

QuickBooks Windows	Windows XP	VISTA/Windows 7 & above
2011	C:\Documents and Settings\All Users\Application Data\Intuit\QuickBooks 2011\Components\OLB\branding\filist	C:\ProgramData\Intuit\QuickBooks 2011\Components\OLB\branding\filist
2012	C:\Documents and Settings\All Users\Application Data\Intuit\QuickBooks 2012\Components\OLB\branding\filist	C:\ProgramData\Intuit\QuickBooks 2012\Components\OLB\branding\filist
2013	C:\Documents and Settings\All Users\Application Data\Intuit\QuickBooks 2013\Components\OLB\branding\filist	C:\ProgramData\Intuit\QuickBooks 2013\Components\OLB\branding\filist
2014	C:\Documents and Settings\All Users\Application Data\Intuit\QuickBooks 2014\Components\OLB\branding\filist	C:\ProgramData\Intuit\QuickBooks 2014\Components\OLB\branding\filist
Enterprise	C:\Documents and Settings\All Users\Application Data\Intuit\QuickBooks Enterprise Solutions 9.0\Components\OLB\branding\filist	C:\ProgramData\Intuit\QuickBooks Enterprise Solutions 9.0\Components\OLB\branding\filist

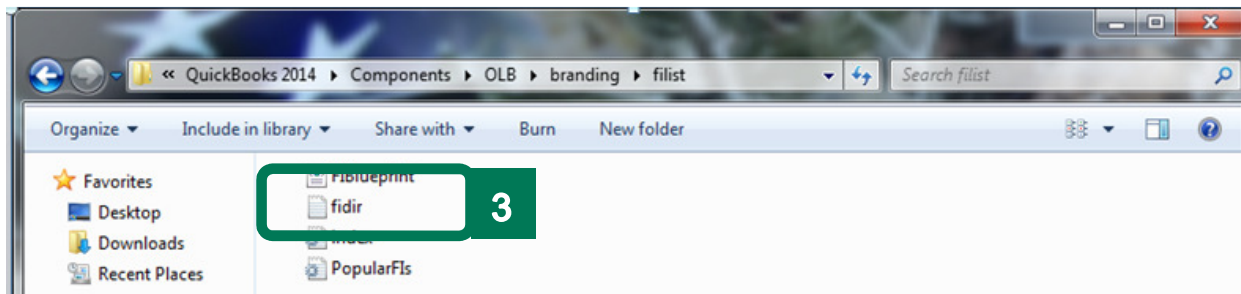

- VISTA/Windows 7 & above users: If you cannot find the **ProgramData** folder, please follow the procedure on **page 3**.

3. Delete the **fidir.txt** file from the **filist** folder, and leave the window open. You will copy and paste a new fidir.txt file into this same folder.

Example: QuickBooks Windows 2014 in XP

Example: QuickBooks Windows 2014 in Windows 7

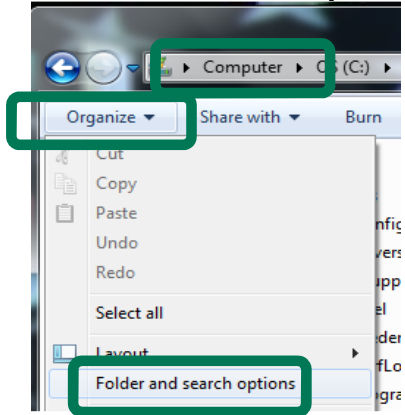

4. Visit **mtb.com/filist** and locate the new **fidir.txt** file. Click the link that corresponds to your version of QuickBooks Windows and save the **fidir.txt** file to your Desktop.
5. Copy and paste the new **fidir.txt** file in the same folder where you deleted the old file.
6. Close the window.
7. Reopen QuickBooks for Windows.
8. Continue the reactivation steps beginning with finding **M&T Bank Direct Connect**

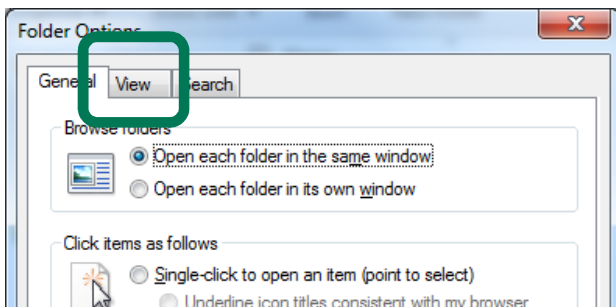

Contingency Procedure for Step 3 – VISTA/Windows 7 & above users

If you cannot find the **ProgramData** folder, follow the steps below. Then, return to Step 3 on page 1.

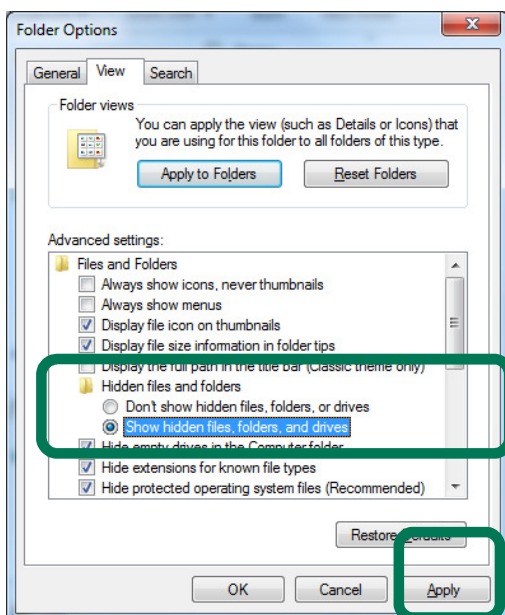

1. Open **Computer** and click on **Organize** in the upper left.
2. Click **Folder and Search Options** to open the **Folder Options** window.

3. Click on the **View** tab.

4. Under **Hidden files and folders** click the option for **Show hidden files, folders, and drives** then click **Apply**.

Return to Step 3 on page 1
