3. Delete the **fidir.txt** file from the **Banklist201X** folder, and leave the window open. You will copy and paste a new fidir.txt file into this same folder.

Example: Quicken Windows 2013 in XP

4. Visit **mtb.com/filist** and locate the new **fidir.txt** file. Click the link that corresponds to your version of Quicken Windows and save the **fidir.txt** file to your Desktop.
5. Copy and paste the new **fidir.txt** file in the same folder where you deleted the old file.
6. Close the window.

7. Reopen Quicken for Windows.
8. Continue the reactivation steps beginning with finding **M&T Bank Direct Connect**.
